

Chichester Yacht Club

Thank you for your interest in joining Chichester Yacht Club.

We have 3 members' sections according to boating interest: Yachts, Motors and Dinghies. You do not have to own a boat, and you may join more than one section. Each section has its own programme of activities, including races, cruises, socials, lectures and training.

We also have a House section for members with an interest in boating who do not want to partake in any sailing activities but solely wish to use the Club facilities.

The Club holds monthly socials for all members, formal and informal events such as Burns Night, Quiz Nights, Wine Tasting, Summer Party, Real Ale & Jazz, and New Year's Eve.

The Club facilities are available for hire to members and non-members for private functions including wedding ceremonies, wedding receptions, wakes, birthdays, anniversaries, in fact anything you wish to celebrate, as well as for business meetings and conferences. A range of room sizes can accommodate groups of 6 to 200.

In this application pack you will find more information on our club activities. Please ask if you would like a tour of the facilities, or for more information.
